GLOBAL COMMUNITY RELATIONS

FLUOR[®]

Global Community Project Fund

- ▶ Fluor is committed to creating sustainable communities where our employees live and work.
- ▶ The Global Community Project Fund was launched in 2012 and has taken place in 2012, 2014 and 2016.
- ▶ It puts Fluor's employees at the forefront of Fluor's corporate social responsibility and encourages engagement with the community.

2016 Global Community Project Fund *Process*

- ▶ A **\$100,000 fund** to support local community projects.
- ▶ Employees across the globe nominated nearly **100 projects in 12 countries** to receive funding.
- ▶ **30 finalists** were selected via a thorough evaluation process.
- ▶ **10 winning projects** were chosen via a public, online vote to encourage community engagement, with nearly **800,000 votes** cast.
- ▶ Selected projects each receive **\$10,000 in funding**, as well as employee volunteers to support the projects.
- ▶ One project is selected as the Best-in-Class and receives an **additional \$10,000**.
