The IPLOCA Scholarship Programme

- ❑ A long-time initiative that came to fruition for the 2016 academic year
- ❑ Creation of the programme aligns perfectly with IPLOCA's mission to provide members with meaningful benefits, while fostering the values at the core of the association

The IPLOCA Scholarship Programme

Programme aims to assist children and grandchildren of employees of Regular or Associate Members of IPLOCA to continue their education in college, university or vocational school programmes

2016 IPLOCA Scholarships

- ❑ Over 220 candidates applied by 26 February deadline
- ❑ 120 met the eligibility requirements
- ❑ Twenty students received scholarships of USD 4,500 each
- ❑ Two scholarships were awarded to students with links to Regular Members in each IPLOCA Geographic Region
- ❑ Four scholarships were awarded to students linked to Associate Members
