

# IPLOCA

TOGETHER - DELIVERING SUSTAINABLE ENERGY INFRASTRUCTURE

## BENEFITS OF IPLOCA CORRESPONDING MEMBERSHIP

Since its inception in 1966, IPLOCA has been a recognised voice of the pipeline industry and continues as such today. A vital part of being a member of the association is to share ideas, network and build business relationships within the industry.

**Corresponding Members** are oil & gas onshore and offshore owners and/or operators of pipeline systems and associated facilities, who have an interest in the work of the association. There is no membership fee associated with this category of membership.

IPLOCA's objectives:

- Provide a forum for sharing ideas internationally and on a region-specific basis
- Engage the industry and its stakeholders
- Facilitate networking opportunities
- Promote the highest industry standards
- Promote competition in the interest of a market-based economy
- Promote Health & Safety and the protection of the environment

As a **Corresponding Member** of IPLOCA, you have access to:

- Networking opportunities with contractors & suppliers at our:
  - Annual Convention
  - Regional Meetings
  - Health & Safety Workshops & Novel Construction Initiative sessions (with access to the App 'The Road to Success')
  - Possibility to register for Sister Associations' Conventions
- Promotional opportunities & sources of information
  - IPLOCA Yearbook and quarterly IPLOCA Newsletter
  - Advertising in the IPLOCA Newsletter (subject to a charge)
  - Promotion of projects in the member news section of the Newsletter
  - Opportunities to present projects & their status of development at the Annual Convention & Regional Meetings
  - Articles in industry publications through IPLOCA Media Partners
  - Sponsorship possibilities at the IPLOCA Annual Convention and/or Regional Meetings
  - Sponsorship possibilities of scholarships (presented at our Annual Convention)
  - Free sponsorship possibilities for awards (presented at our Annual Convention)
  - Use of the IPLOCA logo on your website & marketing materials
  - Access to the Technology Catalogue listing IPLOCA members expertise
  - 20% discount on a subscription to the Global Energy Infrastructure Pipeline project data which provides information on oil & gas projects worldwide
- Publications and initiatives to increase standards
  - Annual Health, Safety and Environmental Statistics Report of members' activities
  - Health & Safety Shared Experiences platform and to be part of the HSE Committee
  - Participation in Health & Safety Workshops
  - Sharing knowledge of new technologies, materials, processes, and projects within the pipeline construction industry
  - The 'Road to Success' reference manual on delivering pipeline construction projects (App available in Apple Store)
  - Research projects co-funded with the Pipeline Research Council International (PRCI)
