# Novel Construction Spring Session 2023

 **AURINI**

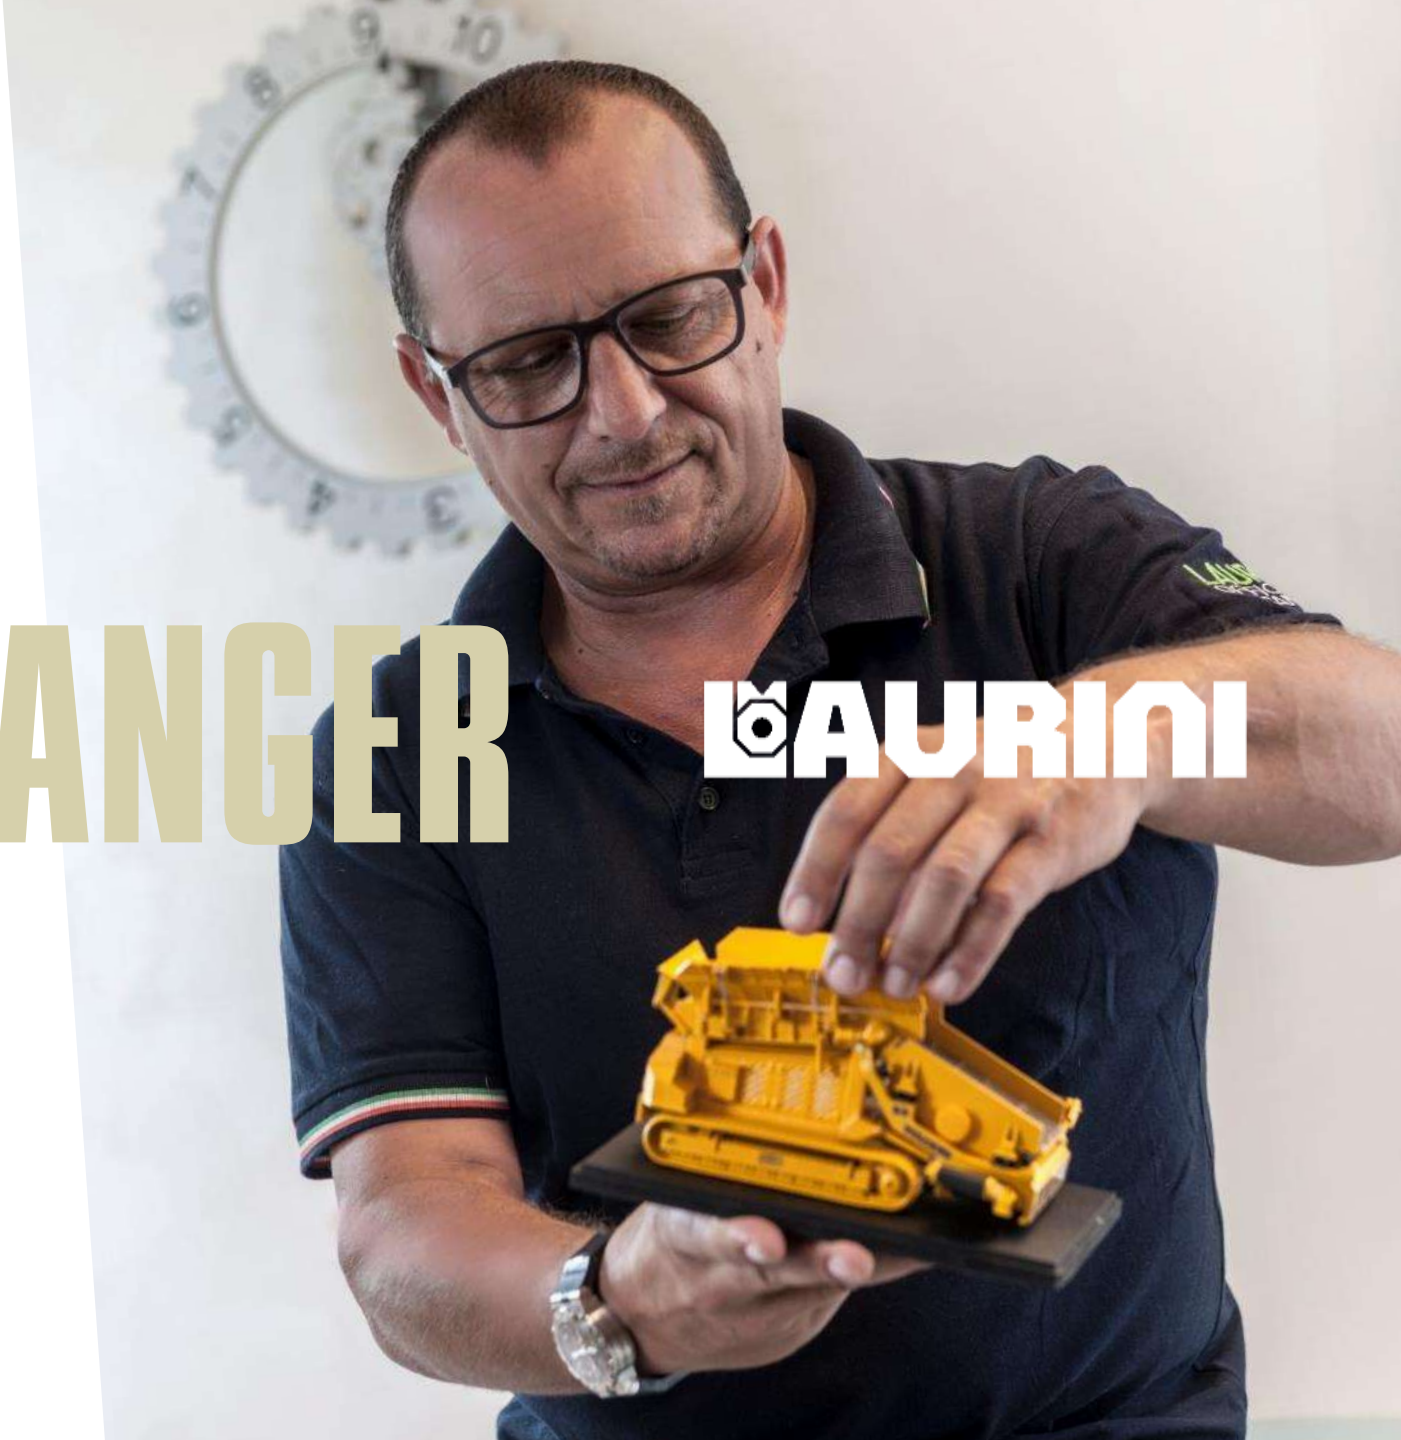

April 19° 2023  
Hotel Ripa Roma, Italy

The background of the slide is a photograph of the Altare della Patria in Rome, Italy, taken at sunset. The sun is low on the horizon, creating a warm, golden glow. The silhouettes of the quadriga statues on the roof of the monument are prominent against the bright sky. The building's classical architecture, including its columns and arches, is visible in the foreground and middle ground.
