Subject: Letter to Sicim regarding the organization of Quality Day

Importance: High

Dear KKS-SICIM Team and Colleagues,

In November, 2023 the whole world celebrated the World Quality Day. That was 103 years of celebration.

WQD is being celebrated since 1919 every second Thursday of November. This is good chance to raise awareness on Quality, remind everyone on its importance and reflect on the role of quality management in our lives.

This year NCOC decided to celebrated the week together with our execution Contractors such as Petrofac-Isker, ISTEK, KSS-SICIM and KCOI at Area of Operations in Eskene West and fabrication yard in Aktau.

We would like to highlight the high level of preparedness by KKS-SICIM and thank you for the excellent organization of this important event.

Special thanks to :

- Quality team: PQM Vyacheslav Ryabov and Olzhas Tazhibayev
- CM Shukhrat Tokhtiyev and
- EM Gopal Choudhary,

Kind regards,

Dastan Kulpaistanov

Production Projects Manager
