

BENEFITS OF IPLOCA CORRESPONDING MEMBERSHIP

Since its inception in 1966, IPLOCA has been a recognised voice of the pipeline industry and continues as such today.

A vital part of being a member of the association is to share ideas, network and build business relationships within the industry.

Corresponding Members are oil & gas onshore and offshore owners and/or operators of pipeline systems and associated facilities, who have an interest in the work of the association. There is no membership fee associated with this category of membership.

IPLOCA's commitments:

- Provide a forum for sharing ideas on a region-specific basis, as well as internationally
- Engage the industry and its stakeholders
- Facilitate networking opportunities
- Promote the highest industry standards

Corresponding Members currently have access to:

- Networking opportunities with contractors & suppliers at our
 - Annual Convention
 - Regional Meetings
 - Health & Safety Workshops
 - Novel Construction Initiative plenary sessions and group work
- Promotional opportunities & sources of information
