Health and Safety Workshop

FEEDBACK (Suggest the top three ideas for each)

- STOP
- START
- CONTINUE
- MEASURE

IPLOCA

INTERNATIONAL PIPE LINE
& OFFSHORE CONTRACTORS ASSOCIATION

Health and Safety Workshop

Things I will STOP doing

- Walking by a dangerous occurrence without intervening
- Thinking for granted that people know
- Thinking that training is sufficient

IPLOCA

INTERNATIONAL PIPE LINE
& OFFSHORE CONTRACTORS ASSOCIATION

Health and Safety Workshop

Things I will START doing

- Ask for operator proof of competence
- Use new technologies to improve safety and efficiency
- Follow up training efficiency on site

IPLOCA

INTERNATIONAL PIPE LINE
& OFFSHORE CONTRACTORS ASSOCIATION

Health and Safety Workshop

Things I will CONTINUE to do

- Encourage positive safety behaviour from the top down
- Repeat lessons over and over again
- Tool box talks every time an incident occurs. On site but also spread on other sites

IPLOCA

INTERNATIONAL PIPE LINE
& OFFSHORE CONTRACTORS ASSOCIATION

Health and Safety Workshop

Things I will MEASURE to make sure they continue to happen

- LTI's, TRIR = Lagging indicators
- Watch your people to be sure they are doing what you have trained them

IPLOCA HS&E Initiatives

- Define a standard for operator competency
- Define a standard for minimum safety equipment on machinery
